2/8/2023

Attendance: Emily Fox, Emily Cooper, Nik Chourey,
Rebecca Barbarsky, Tiffany Blackmon, and Debra Maryanov

I. Welcome

II. Approval of November 18 22 Meeting Minutes

III. 2023 Section Objectives & Planning – discussed what was required by the section versus what we want to accomplish. Ultimately, we agreed that we primarily want to encourage and enhance membership. Those include the following:

- a. Host Annual Section CLE (Lead: Rebecca Bararsky) – we discussed charging for the CLE so that we can increase our budget. Membership survey will be sent out to determine members' interest. Hot topics include ethics, lawyer wellness, and access to justice. Debra will draft survey and will use her office's survey monkey.
- b. Annual Section Meeting (Lead: Emily Cooper) – We discussed having the annual meeting more a draw (e.g. kittens, comedy, etc.). We will aim to having this late summer summer/early fall.
- c. Section Bar Prep & Scholarships (Lead: Tiffany Blackmon) – Emily Fox will research amount and look into other sections with what they do/their budgets. Debra pointed out that we may need to limit it to one participant or the amount given our limited budget.
- d. Enhancing Section Website & Listserve (Lead: Emily Fox): Emily Fox will post minutes and agenda to the website. Other ideas include posting articles of interest and solicit and post articles written by section members (Debra will include in survey and the latter will include the need to review/edit). Nik will look into where historic minutes are held within the bar.
- e. Legislative Work – Debra will take the lead on this.

IV. Treasurer's Report: we approved the budget in November 2022. We have \$2557 with a \$900 budget without consideration of revenue. *See e.g.*
